

3DEXPERIENCE SOCIAL COLLABORATION SERVICES FOR CATIA V5

WITH A SINGLE CLICK, CATIA V5 USERS CAN SPEED AND ENHANCE COLLABORATION, PARTICIPATE IN ONLINE COMMUNITIES AND ACCESS QUALIFIED INDUSTRIAL SERVICE PROVIDERS

3DEXPERIENCE® Social Collaboration Services offers a gateway to the power of the 3DEXPERIENCE platform on the cloud. For the first time, CATIA V5 customers can access online services that connect elements of their product development process and provide apps and services to empower innovation and accelerate time to market.

3DEXPERIENCE SOCIAL COLLABORATION SERVICES ALLOW YOU TO:

- Securely store, manage and share your design data on the 3DEXPERIENCE platform
- Manage your business and access your information anywhere, anytime, on any device
- Connect employees, partners and customers across your organization and value chain to share information and gain feedback throughout the development lifecycle
- Aggregate real-time intelligence from a variety of sources within your business, and across your industry
- Leverage the global community to get answers to design questions, get training and share your knowledge
- Quickly connect with a qualified network of industrial service partners to get your product manufactured

3DEXPERIENCE Social Collaboration Services is available for no extra cost to CATIA V5 customers on active maintenance.

Our 3DEXPERIENCE® platform powers our brand applications, serving 12 industries, and provides a rich portfolio of industry solution experiences.

Dassault Systèmes, the 3DEXPERIENCE® Company, provides business and people with virtual universes to imagine sustainable innovations.
